The regular monthly meeting of the Sippican Woman's Club of Marion was held at 2 P.M., Friday, March 8th, in their club house on Front Street.

Mrs. Darrough Gurney presided and the invocation was read by Mrs. Howard Patterson, followed by the pledge to the Flag.

The club voted $100.00 to the Citizens Scholarship Fund and a contribution to CARE.

Mrs. James Wickenden, for the Art Committee, had on display beautiful crewel work, pillows, bell pulls, bags and other articles.

Rochester Historical Group

Sturbridge Village in Sturbridge, Massachusetts and the Shaker Village in Canterbury, New Hampshire were the focus of attention of a recent meeting of the Rochester Historical Study Group. Conrad Bernier presented films taken during his visits to these restored settlements and commented on the various buildings in each village.

The meeting was held at the home of Mr. and Mrs. Reginald Cobb in which is located "Grandma's Kitchen", a shop featuring antique bottles. Members were given a tour of the shop by its co-owners, Mrs. Cobb and Mrs. Richard Besse, who is also corresponding secretary of the Historical Group.

Ralph Walker, chairman, presided during the business session at which time it was decided to change the organization's name from the Rochester Historical Study Group to the Rochester Historical Society.

An example of the exterior date plaques which the Historical Society will give to Rochester homes over 200 years old was prepared and presented to the group by Mr. Bernier and Mr. Walker. According to the Date Committee, two homes now qualify for plaques with sufficient information and records on their dates having been submitted to the committee. These are the Ethamer Coombs House, owned by Mr. and Mrs. James Gurney, and the Bennett House, owned by Mr. and Mrs. Robert Douglas. Both are located on North Avenue.

Mr. Walker announced that the Historical Society has been granted permission to clean up the Old Parish Cemetery at Braley Hill Road. A committee will be appointed and work started as soon as the weather permits.

The next meeting will be held March 27th at the home of Mr. and Mrs. David Enroth, New Bedford Road.

"The Museum Crowd"

Treasures from the Hermitage Museum of Leningrad, Russia, as well as the Kremlin, were represented by twenty-eight color reproductions of both paintings and jewel masterpieces, received from the Photograph Library of the Boston Museum of Fine Arts, for the meeting March 6th of the Museum Crowd of the Mattapoisett Woman's Club at the home of Miss Dorothy Fox. Tour chairman of the day was Mrs. Robert E. Crabbe. Paintings by Gauguin and El Greco were among the former, with the Ivory Throne of Ivan III and Jewel Crown of Empress Anne among the latter. Volumes to delight the eye and inform the mind were from the collection of the Millicent Library, Fairhaven, Mrs. Edgar C. Earle, Jr. of South Dartmouth, who recently viewed the originals in Leningrad, and Mrs. George W. Smith, Jr. of Ned's Point Road, Mattapoisett who contributed material recently brought from Russia by her husband traveling there.

The 10 o'clock coffee hour was followed by the program at 10:30. Mrs. Crabbe was assisted by Mrs. James H. Hinman, Mrs. Clarence F. Fountain and Miss Lydia LeBaron Walker, general chairman of Fine Arts.

Mr. Herb Arral was presented and entertained with slides, narrating as he went along. Among some of his interesting pictures was that of the only statue of George Washington in a standing position.

The Juniors were most interested in his ghost and haunted house stories. Mr. Arral has traveled much in the New England States looking up these oddities of interest; statues, large rocks, wooded areas, houses, books and crevices were all enjoyed by the

How to reduce oil heat costs

OUR COMPREHENSIVE BURNER SERVICE CONTRACT helps guard you against heating worries. And it can lower heating costs these three important ways:

1. By making sure your burner is cleaned and adjusted for peak efficiency—to help give you maximum heat from every gallon of fuel.

2. By catching little troubles before they can become big ones. A small adjustment or repair now may save you many dollars later on.

3. By insuring you against unexpected repair bills. This makes sure you always get heat.

For complete details about our burner service contracts, call us today.
